

DAITOH KINDERGARTEN

大東幼稚園

ABOUT OUR PROGRAMS

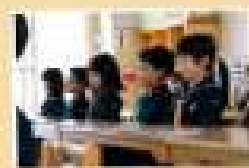

Implementing the Daito Style

Curriculum! We are introducing a kindergarten with a 50-year history in Japan, now opening in Malaysia. The curriculum incorporates educational content adopted from Japan. We offer comprehensive preschool education in conjunction with Malaysian schools.

Japan Eduport

EDU-Port Japan is a collaborative initiative led by Japan's Ministry of Education (MEXT) to promote Japanese-style education globally. Supported by various government ministries, JICA, JETRO, and other organizations, it began with EDU-Port Japan 1.0 (2016-2020), which implemented pilot projects in 35 countries.
