# WELCOME TO CRANBRIDGE

**MDM. RENA LOGAN**

I am delighted you are considering Cranbridge International School. The school started as Cranbridge Tutorial Centre with just 8 students in the first year attending its full-time tuition course. That year, 2 of the students won 3 awards for Highest in Malaysia in the Pearson Edexcel IGCSE Examinations for English, Economics and Accounting. In 2018, our part-time student received a gold medal for Highest in the World for Further Pure Mathematics in the Pearson Edexcel IGCSE Examination.

With technology advancing exponentially, in a matter of time many jobs will be replaced by artificial intelligence. In order to stay relevant, children must be encouraged to develop a varied field of interest and knowledge. May it be music, programming, social media, commerce, geography or physics. In order for them to thrive in the future, they need to be well rounded individuals.

There are some things that artificial intelligence may not be able to do such as look someone in the eye, consider the feelings of another person, make a person feel seen or heard, understand comedy or share a laugh, establish trust, be a creative or critical thinker. At Cranbridge, whilst we put emphasis on STEM we know that these are soft skills cannot be replaced.

That is why at Cranbridge we provide a well rounded education. With the right learning environment, we are confident that any child can be nurtured from an average student to a high achiever and to one that excels exceptionally well in a holistic spectrum of academic and interpersonal excellence.

At Cranbridge, we believe that children are our most important resource for the future. We would be happy to welcome your child to attend a few trial classes and look forward to welcoming them to Cranbridge. Whatever you decide, we wish your child all the success for their future.

Thank you.

Regards,

Chairman

# OUR VISION

**Our vision at Cranbridge is to be complete educators, providing well-rounded education for the development of creative, intellectually critical and socially responsible individuals who are highly committed to achieving academic excellence.**

# OUR MISSION

- to ensure the required available resources, including teaching materials, competent teachers and activities are at par with the needs of our ever-changing society and an evolving education system.
- to provide a learning environment that is physically conducive and socially interactive to encourage attributes of personal development and respect for one another.

# OUR BELIEF

- all children Can and Will learn
- children are the future and our most important resource
- children have the greatest opportunity to learn in a safe and positive environment
- all children will be offered an education developed to meet their individual needs
- Each child has intrinsic worth and therefore must be accepted and treated with dignity
- We will set positive examples for our students through innovative and role play activities

# OUR SCHOOL CREST

## THE DOLPHIN

(representing our student) is a highly intelligent joyful creature. It is also symbolic of friendship, love, freedom, power and peace.

CRANBRIDGE  
INTERNATIONAL  
SCHOOL

## THE OXFORD CAP

symbolic for academic excellence.

## THE BLUE BAND

carries the name Cranbridge Education Group. The colour blue on the band expresses trust.

## THE RED BAND

carries the group's motto 'Your Complete Education Guide'. The red band symbolises leadership. Together, the two bands connect the Dolphin to the Oxford Cap symbolising the school's guidance of its students to academic excellence.

## UNITED KINGDOM

United Kingdom stands out prominently connoting the high regard for British Education in the world.

## THE GLOBE

The globe is the stage where all these symbols come together signifying international standards and global opportunities.

# WHY CHOOSE US ?

We are living in a rapidly changing world where all the work of tomorrow will be essentially tied to proficiency in STEM (Science, Technology, Engineering and Mathematics). Choosing the right kind of education that puts emphasis on STEM and incorporates humanities into the curriculum unleashes your child's creativity and critical thinking skills essential for the child to become a lifelong learner. Our teaching team comprises of passionate educators sharing a common philosophy that All children Can and Will learn.

# OUR SYLLABUS

## Forward-thinking approach and International content

Cranbridge uses the Pearson-Edexcel syllabus to prepare its students for the International GCSE and International Advanced Level examination. Pearson Edexcel has been helping people succeed in life through learning for nearly 20 years. Edexcel International GCSEs are studied in over 55 countries worldwide and at over 350 independent schools in the UK. Available in more than 40 subjects, they are equivalent, grade for grade, to UK GCSEs. Edexcel qualifications combine a progressive approach with international content, allowing learners to achieve their full potential in today's global economy. By combining world-class qualification standards with a forward-thinking approach and international content, Edexcel qualifications are the ideal pathway to today's top universities, offering learners access to tomorrow's global opportunities.

## Learn Math the Fun Way!

We teach maths using Zapzapmath which has over 150 math lessons to practice, with a fully developed comprehensive curriculum that has been matched with International Primary Curriculum. Zapzapmath has been designed to incorporate Higher Order Thinking Skills in the fields of creation, evaluation and analysis. All of this combined into a game-based ecosystem of fun math learning for reception and primary level students!

# OUR APPROACH

At Cranbridge we provide an alternative approach to standard Public and Private International School learning that is being widely offered in the education system. We provide a home-school based approach to learning whereby, the child is given personalised attention with a teacher : student ratio of about 1:16 per class which makes it possible for students to aspire to achieve academic excellence.

# OUR TEACHERS

Teachers are the academic guide and personal developmental mentors in the child's overall development. That is why, at Cranbridge, we hand pick teachers who possess outstanding academic credentials and relevant experience in delivering the IGCSE Curriculum. At Cranbridge teachers are provided with professional support and mentorship and are encouraged to share ideas with the management through open forums which is why attrition rate is low. Our teaching staff are motivated and dedicated to nurturing your child in reaching their all- round potential.

# OUR STUDENTS

Cranbridge students come from various countries and at Cranbridge they come together as one family. The spirit of humanity and sense of belonging as a global citizens is visible in the various activities of Cranbridge

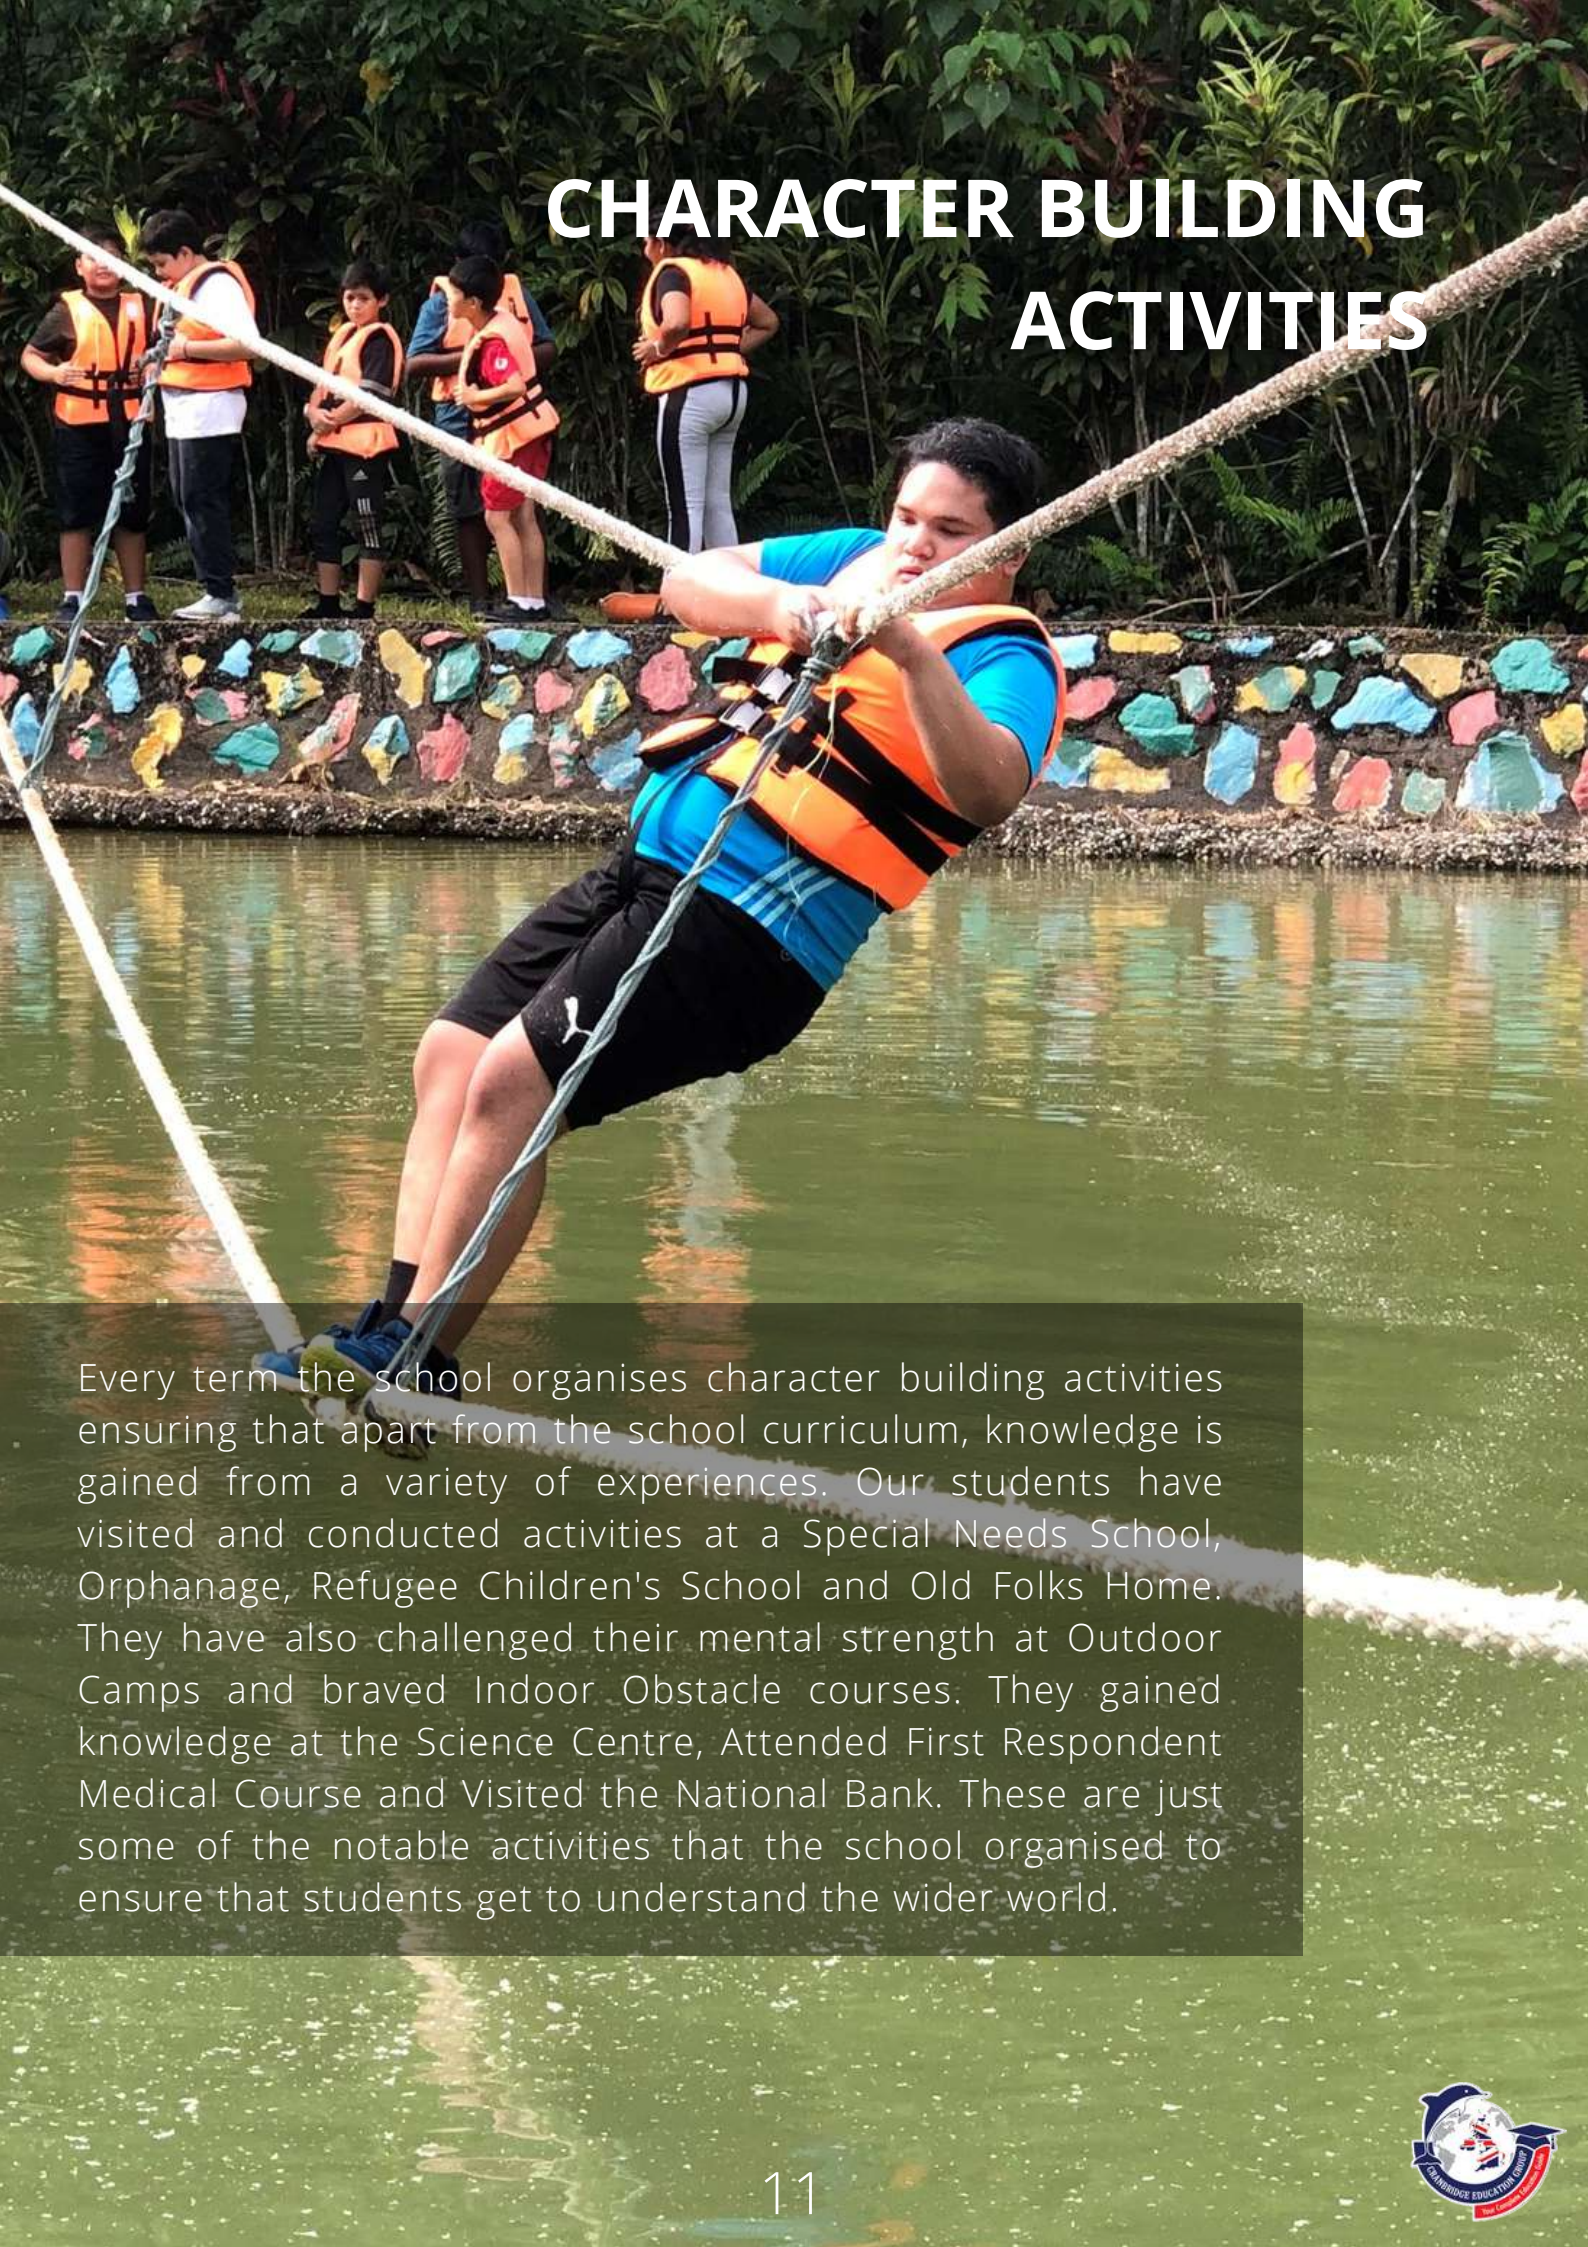

# WEEKLY ACTIVITIES

"All work and no play makes Jack a dull boy" - yes, we believe so!

Once a week, is activity day at Cranbridge. The students enjoy a variety of age appropriate activities from games such as futsal, badminton, captain ball, tele-match, skipping, hula hoops, yoga and many more to build their gross motor skills and inculcate team work and spirit. Occasionally the students go bowling, laser-tag or a trip to the cinema.

# CHARACTER BUILDING ACTIVITIES

Every term the school organises character building activities ensuring that apart from the school curriculum, knowledge is gained from a variety of experiences. Our students have visited and conducted activities at a Special Needs School, Orphanage, Refugee Children's School and Old Folks Home. They have also challenged their mental strength at Outdoor Camps and braved Indoor Obstacle courses. They gained knowledge at the Science Centre, Attended First Respondent Medical Course and Visited the National Bank. These are just some of the notable activities that the school organised to ensure that students get to understand the wider world.

# A TRADITION OF EXCELLENCE

# Pearson

Ever since our inception, our students have shown constant success through their performance in the Pearson Edexcel O-Levels and IAL exams, UK.

# PEARSON EDEXCEL EXAMINATION CENTRE; CENTRE NO. 90039

Cranbridge International School is an Edexcel Examination Centre approved by Pearson. Private candidates may register and take their IGCSE and IAL exams at the Cranbridge Examination Hall.

# OUR CURRICULUM

At Cranbridge, we put emphasis on STEM in the Upper Secondary Level, whilst Art is also given importance in the Reception, Primary and Lower Secondary Level. We teach Maths the fun way through gamified maths in the Reception and Primary Level to get students to love Maths and build a strong foundation for the years that follow.

# SUBJECTS OFFERED

Preschool and Primary (Year 1 to 6)

A photograph of three children playing on a large blue hippo-shaped playground toy. A girl in a red shirt is sitting on the back, laughing. A boy in a yellow shirt is sitting on the side, smiling. A girl in a green shirt is sitting on the ground behind them, also smiling. The background shows a white wall and a colorful play structure.

# SNAPSHOTS

## *The Facade + The Lobby*

The different colours represent different cultures and also exudes a wonderful ambience of creativity in the school's community of students.

Shapes of straight lines and angles symbolize a balanced structure and order.

Shapes with curves represent connectivity and a sense of togetherness in the students' community

# SNAPSHOTS

## *Sports Hall + Kiddy Corner*

The Indoor Sports Hall is designed for multipurpose use. Whether it is basketball, futsal, badminton or freeplay, students enjoy the activities conducted here. All play is supervised by teachers at all times.

For our little ones, there is a Kiddy Corner in the Reception / Pre-Primary floor where they get to stretch out and roll around in a safe play zone.

# SNAPSHOTS
