

**Developing Future Leaders  
& Inspiring Global Citizens Through  
21<sup>st</sup> Century Education**

# An Exceptional Learning Journey To Inspire Future Leaders

Launched with Klang Valley learners in mind, UCSI International School (UIS) Subang Jaya is strategically located where leisure and urban sprawl co-exist. The combination of the Cambridge Curriculum and the International Primary Curriculum during primary school lay the foundations for secondary school and the rigorous IGCSE exams. UIS Subang Jaya possesses an excellent team of School Leaders and global, highly trained academics to guide our students in their studies, character development and growth.

Our school has continued to serve as an educational home to both local and expatriate individuals, not only amongst our academic team but amongst our students and school community as well. UIS Subang Jaya focuses on eight critical characteristics in our learning content and experiences. The rapid advancement of technological innovation, global competition and a push towards a knowledge-based economy require our students to have a repertoire of soft and hard skills. We therefore place a strong emphasis on Character Education, Global Citizen Skills, Problem-based Collaborative Learning and Co-curricular Activities amongst others, forming a truly holistic education for the 21st century.

Our emphasis on education isn't only focused on academic and creative excellence, but pushes to equip students with 21st century lifelong skills such as character, communication, collaboration, creativity, critical thinking while inculcating virtues such as integrity, honesty and empathy in all our students.

## Our Eight Critical Characteristics

### 1. CHARACTER EDUCATION

### 2. GLOBAL CITIZENSHIP SKILLS

### 3. INNOVATION AND CREATIVE SKILLS

### 4. TECHNOLOGY SKILLS

### 5. INTERPERSONAL SKILLS

### 6. PERSONALISED AND SELF-PACED LEARNING

### 7. PROBLEM-BASED COLLABORATIVE LEARNING

### 8. LIFELONG LEARNING

## OUR VISION AND MISSION

### Our Vision

UCSI Schools aim to develop global citizens and inspire future leaders by providing a world-class, 21<sup>st</sup> century education.

### Our Mission

The mission of UCSI Schools is to provide a holistic education that prepares learners for the future by equipping them with the skills, knowledge, and values needed to become responsible global citizens in a 21st century world.

# Why Study at UCSI International School Subang Jaya?

## World-Class Education

We expose students to a world of knowledge through well-established international curricula, incorporating a modern, holistic approach to teaching, learning, and skill-building.

## Outstanding IGCSE 2022 Results

Our students achieved outstanding IGCSE 2022 results with 100% pass rate in 18 subjects taken. 100% of them achieved A\*/A in Biology, Physics, Chemistry, Additional Mathematics and Malay as First Language, 84% achieved A\*/B, and 66% achieved A\*/A.

## 21<sup>st</sup> Century Skills

We aim to develop global citizens and future leaders who are equipped with the skills needed in today's global society, such as communication, collaboration, creativity, and critical thinking.

## Experienced Multinational Teachers

Our team of multinational teachers are well-qualified, experienced, and knowledgeable about the curriculum and are well-trained to develop positive learning with students. Our teachers at UIS Subang Jaya have years of experience in the international curricula.

## Character Education

We emphasise virtues and values alongside academics. Students and staff strive to demonstrate innovation, self-expression, and diligence while maintaining respect, empathy, and honesty.

## Guidance and Support

With a trained student counsellor, onsite nurse and teachers with first-hand training, we ensure that the wellbeing of the students is always a priority, both physically and mentally.

# Meet Our Principal

## IAIN SLADE

*School Principal*

Iain Slade, an experienced international educator, is originally from Bristol, UK. After graduating, Iain completed his Postgraduate Certificate in Education (PGCE) in 1995 from the University of Bristol and an MBA (with Merit). In the last 27 years, Iain has worked in several successful schools, both in the UK and Internationally, holding various positions from Faculty leader, Director, to Principal. Iain has worked with IB Diploma programmes, Cambridge IGCSE and A-Level programmes. He has led in both small independent schools and large school groups such as the Dulwich College International in China. In 2015, Iain completed the National Professional Qualification for Headship (NPQH) in the UK.

In 2019 Iain was awarded a Fellowship of the Chartered College of Teaching in the UK as recognition for his ongoing contribution to the teaching profession. In May 2022, Iain was awarded a second Fellowship by RSA (Royal Society for Arts) for his ongoing contribution to society in the field of education.

Prior to joining UIS Subang Jaya, Iain was Principal of Jogjakarta Community School, Indonesia. Iain's educational philosophy is, one of inclusion and global mindedness, whilst maintaining academic rigor and access for all; He says, 'I am pleased to see that the UCSI Critical Characteristics mirror my own beliefs and philosophies on education and look forward to us all developing these together.'

*Iain Slade*

# Meet Our Deputy Principal & Head of Secondary

## **TOBIN WALROD**

*Deputy Principal & Head of Secondary*

Hailing from Canada, Tobin Walrod is the Head of Secondary at UCSI International School Subang Jaya. He has been involved in a wide variety of coaching, teaching, mentoring, and training roles for over 25 years, with more than 15 of those years dedicated to the field of education. After earning a Bachelor of Science (1st Class Average) from the University of Victoria in Canada, he used his training to marry technology, data management, and multimedia to the fields of teaching, coaching and mentoring. Throughout that time, Tobin has also adhered to the personal mission statement of promoting international and multi-cultural understanding through education, relationships, and shared life experiences across borders, ethnicities and cultures.

Tobin's plans for the development of the secondary school at UIS Subang Jaya are for the school to maintain their high academic standards, while also continuing to focus on holistic development and fostering well-rounded, knowledgeable global citizens. In addition, he also wants the school to continue to train students in leadership, cross cultural awareness and global perspectives, while using the right tools together with the right team to hone 21st century skills for all our students at UCSI International School Subang Jaya. In line with this, Tobin believes by emphasizing these points, the Secondary School will remain as a leader in the field, as well as the premier value-for-money education centre in Selangor.

*Tobin Walrod*

# Meet Our Head of Primary

## SHEREEN KASSEM

*Head of Primary*

Originating from Lebanon, Shereen Kassem is the Head of Primary at UCSI International School Subang Jaya. After graduating with outstanding results in English Language and Literature from Beirut Arab University, Lebanon, she decided to begin working in several tuition centres and also volunteered to teach students who were at treatment centres. She also completed several courses in Elementary Education at the American University of Beirut. This helped her to understand the needs of young students better and to shape her teaching to improve their performance.

Shereen plans to develop the primary school at UCSI International School Subang Jaya by improving on the school's delivery of the curriculum by applying effective learning strategies with a focus on the learner's progress, while also improving on parental involvement and being able to connect better with their expectations. She also wants to provide more opportunities to link learning in primary classes to real experiences in the community. Shereen believes that the teaching and learning process is a priority along with the development of each student holistically.

*Shereen Kassem*

**IGCSE**  
**JUNE 2022**

**100%** pass rate in  
18 subjects

**100%** achieved A\*/A in Biology,  
Physics, Chemistry, Additional  
Mathematics & Malay as  
1<sup>st</sup> Language

**66%** achieved  
A\*/A

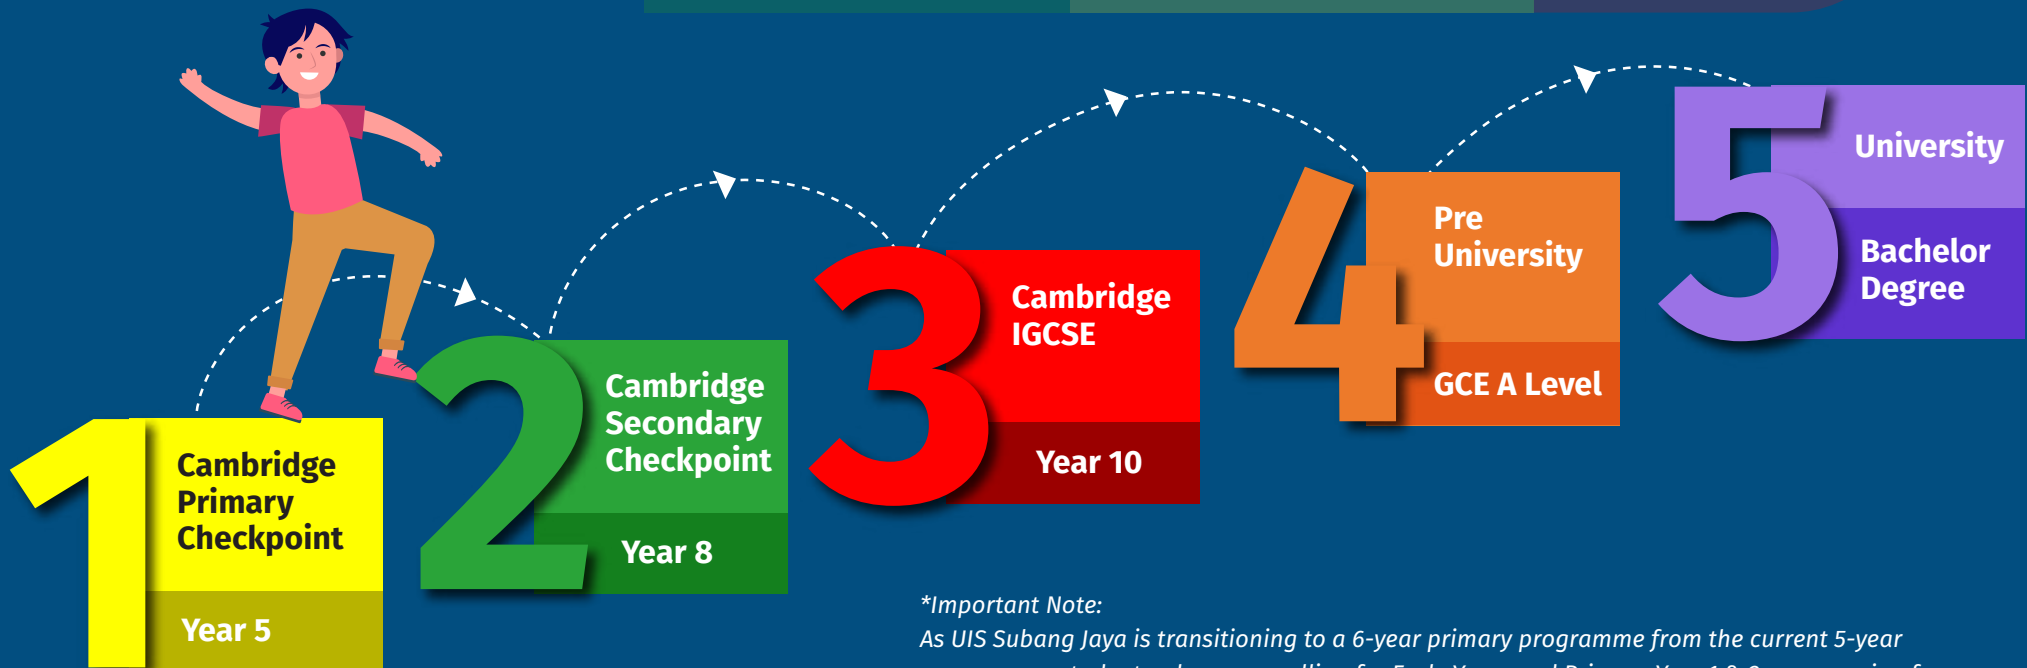

**84%** achieved  
A\*/B

Our students completed an average of  
**9 IGCSEs**, higher than the UK and  
international standard.

# Academic Pathway

Early Years	Primary	Secondary
<ul style="list-style-type: none"> <li>• Early Years 1</li> <li>• Early Years 2</li> </ul> <p><i>Cambridge Early Years and International Primary Curriculum (IPC)</i></p>	<ul style="list-style-type: none"> <li>• Year 1 - Year 5</li> </ul> <p><i>Cambridge Primary and International Primary Curriculum (IPC)</i></p>	<ul style="list-style-type: none"> <li>• Year 6 - Year 10</li> </ul> <p><i>Cambridge Secondary Curriculum (IGCSE)</i></p>

## \*Important Note:

As UIS Subang Jaya is transitioning to a 6-year primary programme from the current 5-year programme, students who are enrolling for Early Years and Primary Year 1 & 2 commencing from academic year 2022/2023 onwards will undergo a 6-year primary programme. Those who are enrolling into Primary Year 3-5 will undergo the current 5-year primary programme.

# EARLY YEARS CURRICULUM

## (EY1 & EY2)

At UIS SJ, the specialist Early Years staff utilise the best from both the Cambridge International Early Years Curriculum and the IPC Early Years Curriculum.

The International Primary Curriculum (IPC) Early Years Programme was written by practising early years specialists and provides the same mix of practical, rigorous support for teachers and exciting, appropriate work for children as the IPC main programme. Our Early Years Programme also helps children to become familiar with the IPC learning process for each unit and better prepare them for progression to the IPC main programme.

Based on the very best early year practice, the UIS SJ Early Years units of work help children develop in a way which is wholly appropriate for their age. The Early Years Programme is offered for students age 4-6, and serves as an introduction for the Year 1 IPC units.

### Subjects include:

- English
- Mathematics
- Malay Language
- Physical Education
- Music & Drama
- Arts
- MOVE
- Personal, Social, Health, Character Education (PSCHE)
- Creative Learning (EY1)
- Mandarin (EY2)
- IPC (thematic project-based topics)

Cambridge Assessment  
International Education

Cambridge International School

## PRIMARY LEVEL CURRICULUM

### (Year 1 to Year 5\*)

In the primary level, students follow the Cambridge Primary Curriculum of English, Mathematics and Science, as well as the International Primary Curriculum (IPC). The IPC is a comprehensive, thematic, creative curriculum with a clear process of learning and with specific learning goals for every unit. These learning goals include:

#### Subject Goals

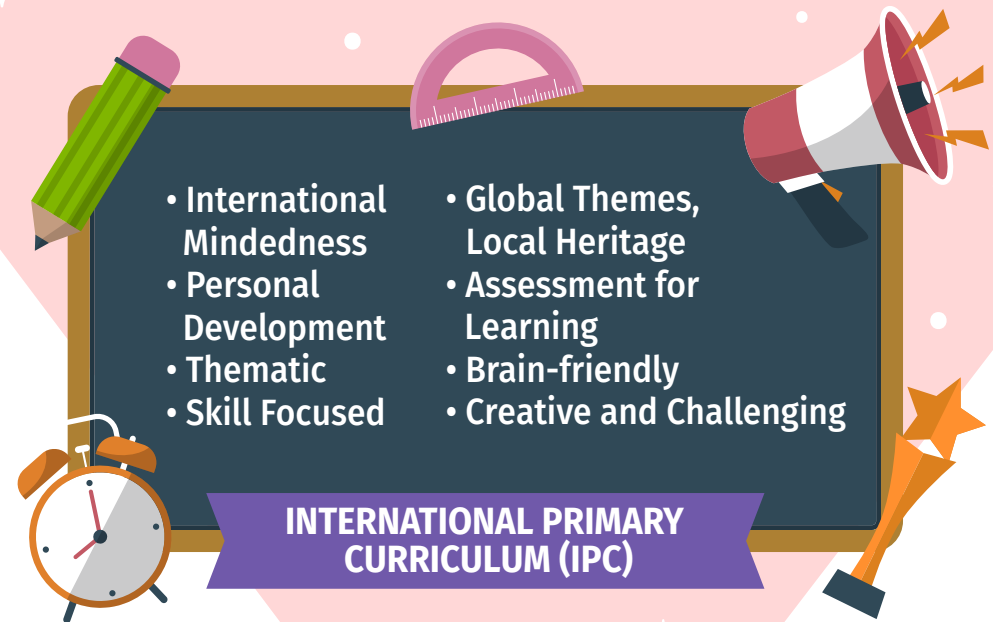

The IPC subjects include information and computing technology, history, geography, music, physical education, and art. All with the objective to cover not only the knowledge, but also the key skills and understanding relating to the subjects studied.

#### International Goals

Each thematic IPC unit includes an international aspect with the goal to develop a sense of international mindedness in the students.

#### Personal Goals

Students focus on eight personal learning goals as part of their learning. These are: enquiry, resilience, morality, communication, thoughtfulness, cooperation, respect, and adaptability. The curriculum sets clear learning objectives and focuses on developing knowledge and skills in all of the subjects, providing an excellent foundation for the next stage of education.

- International Mindedness
- Personal Development
- Thematic
- Skill Focused
- Global Themes, Local Heritage
- Assessment for Learning
- Brain-friendly
- Creative and Challenging

### INTERNATIONAL PRIMARY CURRICULUM (IPC)

#### Subjects offered are:

- English
- Mathematics
- Science
- Malay Language
- Mandarin
- ICT
- Music
- Drama
- Art
- Physical Education
- Primary Literacy (PL/EPL)
- Personal, Social, Health, Character Education (PSCHE)
- IPC (thematic project-based topics)

#### \*Important Note:

As UIS Subang Jaya is transitioning to a 6-year primary programme from the current 5-year programme, students who are enrolling for Early Years and Primary Year 1 & 2 commencing from academic year 2022/2023 onwards will undergo a 6-year primary programme. Those who are enrolling into Primary Year 3-5 will undergo the current 5-year primary programme.

## SECONDARY LEVEL CURRICULUM

### (Year 6 to Year 10\*)

Cambridge Secondary Level builds upon the learning in Cambridge Primary Level and develops children's knowledge in these core subjects. The Secondary School curriculum is divided into two stages: Cambridge Secondary (Year 6-8) and Cambridge IGCSE (Year 9-10).

**Years 6-8 is designed to deliver a broad and balanced curriculum in:**

- English
- Mathematics
- Science
- Humanities
- Physical Education
- Music
- Art
- Drama
- Mandarin
- Malay Language
- ICT

In Years 9 and 10, students will follow the two-year IGCSE exam curriculum, consisting of the following subject selection. Students will take at least seven Cambridge IGCSE subjects, including two different languages.

#### **Group I: Languages**

- English (First Language / Second Language / Foreign Language)
- Mandarin (First Language / Second Language / Foreign Language)
- Bahasa Malaysia (First Language / Second Language / Foreign Language)

#### **Group II: Mathematics**

- Extended Mathematics
- Additional Mathematics

#### **Group III: Sciences**

- Physics
- Biology
- Chemistry
- Combined Science

#### **Group IV: Business**

- Economics
- Accounting
- Business Studies
- Information Technology (ICT) / Computer Science

#### **Group V: Electives**

- Global Perspectives
- Sociology
- English Literature
- Art & Design
- Drama

#### **\*Important Note:**

As UIS Subang Jaya is transitioning to a 6-year primary programme from the current 5-year programme, students who are enrolling for Early Years and Primary Year 1 & 2 commencing from academic year 2022/2023 onwards will undergo a 6-year primary programme. Those who are enrolling into Primary Year 3-5 will undergo the current 5-year primary programme.

# Our Co-curricular Activities (CCAs)

At UIS Subang Jaya, we offer a broad spectrum of Co-curricular Activities (CCAs). These co-curricular activities stimulate and challenge the students to develop holistically. This in turn, encourages them to grow physically, socially, emotionally, and intellectually.

Our wide range of activities is the perfect platform for students to explore new interests and discover hidden talents while gaining valuable life skills, such as self-leadership, managing tasks, creative problem solving, collaborating with others, and developing a growth mindset.

## PRIMARY LEVEL (Year 1-5)

- Arts & Crafts
- Badminton
- Basketball
- Board Games
- Cricket
- Dodgeball
- Flag Football

# School Events & Student Activities

## Holiday Camps

During school breaks, students will have the chance to go on holiday camps with the academic team to exciting and exotic places. These camps are designed to promote educational, social and cultural outcomes for our students.

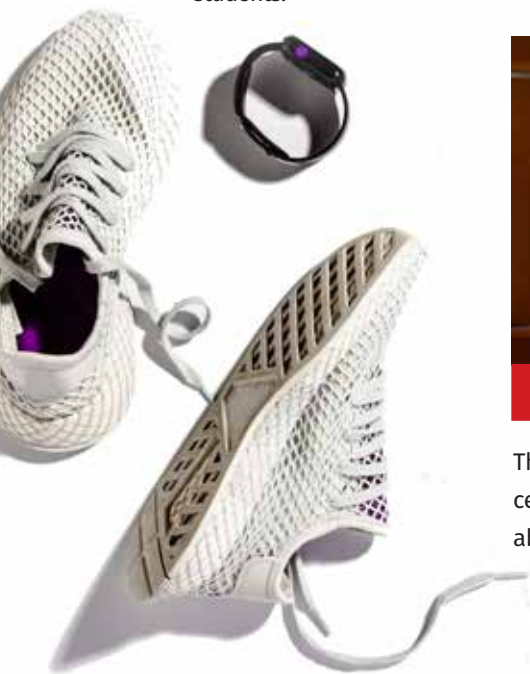

## Awards Day

Awards Day at UIS Subang Jaya are held to acknowledge and celebrate the achievements of our talented students throughout the academic year.

## Sports Day

Our Sports Day is an occasion where students, teachers, and parents come together for a day of friendly competitive sport with prizes, medals and loads of fun on the line.

## International Day

This event is organised every academic year to celebrate cultural diversion, where students learn about other cultures and celebrate diversity.

## Talent Shows

Our Talent Shows held every year, is a day where we bring together the Subang Jaya community for a day of fun and excitement to showcase our students and their special skills.

### Pink Day

UIS Subang Jaya celebrates Pink Day annually, to spread awareness and stop bullying and discrimination. The community is invited to take part by wearing a pink shirt and participate in fun games and activities.

### Charity Carnivals

Our Charity Carnivals are organised once or twice a year. Filled with encouraging activities, delicious food, and several programmes. All proceeds and funds raised from the event are sent to charity.

### Project Fairs

Our school's Project Fairs give our students the chance to showcase their creative and imaginative projects done within the academic year to the Subang Jaya community. It's held annually following a specific theme.

### Theatrical Production

UIS Subang Jaya emphasises the real importance of exposing students to the world of theatre and performance. Every year, our students perform a theatrical piece; from Oliver Twist to The Jungle Book. These events give them the opportunity to master techniques and lifelong skills necessary for effective communication in today's world.

### Community Outreach Programmes

Throughout the academic year, we encourage our students to take part in various Community Outreach Programmes in an effort to promote civic engagement, and strengthen the surrounding communities by addressing their social needs.

# Going Beyond Academics: The Amazing Achievements of Our Students

At UIS Subang Jaya, we inculcate self-confidence in our students to be independent learners and achieve beyond the school environment. We believe with the right environment every student can reach their fullest potential.

**CARMEN LEE JIA WEN** *(Back row, far right)*

Carmen Lee Jia Wen was selected to join the Women's National Ice Hockey Team 2019, competing in the Challenge Cup of Asia, held in Abu Dhabi, United Arab Emirates on April 2019.

**MARCUS LIM  
PANG CHUEN**

Marcus Lim took home the 1<sup>st</sup> Place award in both the Selangor Schools Sport Council (MSSS) and the Malaysian Sports School Council (MSSM) Golf Championship 2019. Adding on to his achievements, Marcus was also ranked Top 850 of the World Amateur Golf Ranking 2020, consisting of over 6,000 players.

**YU PEI YEE , PHUA EASON ,  
KELLY SIOW HUI XIN**

The aim of the World Scholar's Cup is to bring students together from different cultures who are interested in learning beyond the typical school curricula to discuss the issues and ideas relevant today.

The way the competition works is that scholars must accumulate points from the regional to the global round. Teams will be invited to participate in the Tournament of Champions held at Yale University, by collecting a set number of points from the global round.

This year, at the Tournament of Champions senior open round, our team ranked 46<sup>th</sup> out of over 500 teams putting us on the top 8%. Student Yu Pei Yee was ranked 21<sup>st</sup> out of 1500 scholars, while Eason ranked 99<sup>th</sup>. We at UIS Subang Jaya are very proud of their hard work and achievements.

## GABRIEL GOH JUAN JIE

Gabriel Goh took part in the National Malaysian Ice Hockey Junior Under-15 Team 2019, competing in the South East Asia International Hockey Youth Cup 2019 with the team achieving a Top 4 placing.

Gabriel also participated in the Malaysian Ice Hockey Federation (MIHF) President's Cup 2019, with the team being crowned as the champion.

## UIS SJ BASKETBALL TEAM

UIS Subang Jaya's Basketball Team was crowned Champions in the Kuala Lumpur Sports League (KLSL) 2019 for both Under-13 & Under-15 Male Category, with the Under-18 Category coming in 3<sup>rd</sup> Place. The Under-15 Female Category was also crowned Champion in the KLSL 2019 competition.

## ELIA NOON

Elia Noon was one of the finalists in the Malaysian International Ballet Grand Prix (MIBPG) Ballet Solo Competition 2019. She was also the semi-finalist of The Dance Society's (TDC) 22nd Solo Classical Ballet Competition 2019.

Elia participated in the #GetTheBeat World Championship 2019 dance competition, held in Bangkok, Thailand and achieved the Runner-Up title in the Under-11 Open Category.

## LAUREN HOH FOONG KAY

Lauren Hoh won 1<sup>st</sup> Place in the Selangor Schools Sports Council (MSSS) Gold Medalist Team Event and 2nd Place in the Malaysian Sports School Council (MSSM) Silver Medal Team Event. Adding on to her achievements, Lauren is also a member of the Artistic Gymnastic National Team.

To read more about our students' amazing achievements, head over to our website [www.ucsischools.edu.my](http://www.ucsischools.edu.my)

## CLAUDIA KHOO YI

Claudia received the Outstanding Cambridge Learner Awards for achieving the highest mark in the world for the Cambridge IGCSE Foreign Language Mandarin Chinese exam in June 2021.

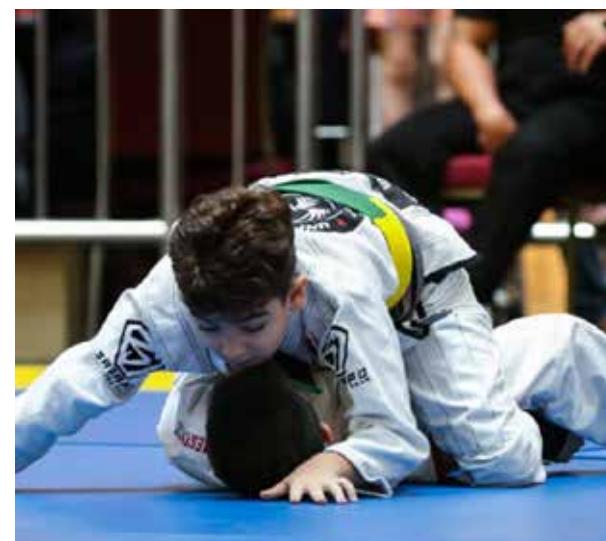

## ISABELLE ARYSSA SOPHIA

Isabelle achieved two 1<sup>st</sup> Place wins in the Bukit Kiara Equestrian & Country Resort Dressage and Show Jumping Training Competition in March 2022. For Show Jumping, she won 2<sup>nd</sup> place. She clinched both 1<sup>st</sup> places in the categories of Dressage Tests – Preparatory C and Preliminary 1B. For Showjumping, she won 2nd place in the class of SJ2 (40cm – 50cm). In the same month, Isabelle also won 1<sup>st</sup> place in the Selangor Turf Club Equestrian Centre's Showjumping 1 Day competition in the SJ2 class. On top of that, she gained 3<sup>rd</sup> place in the Showjumping class SJ2 of the Equestrian Association of Malaysia's Hybrid Series 2022.

## RADWAN AL-GHRAWI

Radwan recently won a silver and a gold medal in a Brazilian JiuJitsu (BJJ) sports tournament. In 2019 and 2020, he had won in BJJ tournaments as well. Before 2019, Radwan had also attained 3 gold medals in BJJ.

## LOCATION MAP
