“ Develop a passion for learning.  
If you do, you will never  
cease to grow. ”  
- Anthony J. D'Angelo

# Introduction

At Pine Hills, we're all about fostering growth and unleashing the full potential of our students. From Pre-Primary to Pre-University, we're here to guide your journey of development.

What sets us apart is our commitment to providing transformative experiences that go beyond traditional education. We want to equip our students with the tools they need to excel in every aspect of their lives, both academically and personally. It's all about building character and achieving academic excellence, hand in hand. Pine Hills International School takes great pride in offering the best internationally recognized learning methodologies. We believe that learning doesn't just happen within the four walls of a classroom. That's why we go the extra mile to extend learning opportunities to real-life experiences and practical applications. Our approach is backed by empirical evidence and insights gathered from various learning centers. We blend these perspectives together to create a well-rounded, holistic outlook. Our ultimate goal? To boost your confidence, ignite your vision, and fuel your ambitions. But here's the thing: we can't do it alone.

We strongly believe that the partnership between our school and parents is crucial in shaping a student's future. We're in this together, working hand in hand to nurture the right attitudes and values that will pave the way for success.

So, what are you waiting for? Join us on this incredible journey at Pine Hills International School and be part of our thriving success story. Together, we can create a brighter future for our students, empowering them to thrive in an ever-evolving world. Let's make it happen!

A man with short dark hair, wearing a dark suit jacket over a light-colored shirt, stands with his arms crossed. He is smiling and looking towards the camera. In the background, there are modern school buildings with large windows and glass facades. The sky is blue with some clouds. The text "PINE HILLS INTERNATIONAL" is visible on one of the buildings.

# Welcome Message

Welcome to a place where potential is ignited and extraordinary futures are created. At Pine Hills International School, we are dedicated to providing an exceptional educational experience that extends far beyond academics. Our unwavering commitment to academic excellence ensures that our students are equipped with the knowledge and skills they need to thrive in our ever-changing world.

But here's the thing: education is not just about acquiring or accumulating knowledge. It's about nurturing emotional intelligence and fostering global awareness. That's why, at Pine Hills, we go the extra mile to shape our students into trailblazing leaders. We want them to possess the passion, resilience, and adaptability necessary to make a profound impact in their communities and beyond.

Together, let us embark on a metamorphic journey of lifelong learning and endless possibilities. With every step, we inspire curiosity, ignite creativity, and cultivate the next generation of extraordinary individuals. Welcome to Pine Hills International School, where the adventure truly begins.

**MR ALLEN LOW**

Chief Executive Officer, CEO

# Welcome Message

We understand the weight of the decision you face when choosing the perfect school for your child. It's a choice that shapes their future and sets the stage for their growth, both academically and emotionally. I want to assure you that at Pine Hills International School, we recognize the significance of this decision and are here to support you every step of the way. We believe that education goes beyond textbooks and exams. Our focus at Pine Hills is to address the number one problem faced by children today: the lack of character building. We understand the importance of nurturing not only their minds but also their hearts. That's where our innovative Henkan method comes into play. We concentrate on instilling key values such as Attitude, Behavior, Character, and Discipline before diving into academics. We believe that a strong foundation in character development paves the way for academic success and personal growth. Through the Henkan method, we guide our students in building a solid moral compass and equipping them with the tools to make sound decisions in life. This approach sets them up for a lifetime of achievements and fulfilment.

I invite you to explore all that Pine Hills School has to offer. Take a moment to immerse yourself in our vibrant campus, where laughter and learning go hand in hand. Meet our passionate faculty members and witness the enthusiasm and curiosity that radiate from our students. I am confident that when you step foot on our grounds, you will feel the warmth and positive energy that make Pine Hills a special place. Your child's happiness and success are at the core of our mission. We understand the hopes and dreams you hold for them, and we are here to help transform those dreams into reality. Together, we can create an educational journey that sparks their imagination, nurtures their growth, and prepares them for a bright and promising future.

Thank you for considering Pine Hills International School. We appreciate your interest and eagerly anticipate the opportunity to meet you and welcome you into our extended family. Let's embark on this exciting journey together and watch your child soar to new heights.

# 9 Reasons to choose Pine Hills School

## "UNLEASH YOUR CREATIVE POTENTIAL: EMBRACING A HOLISTIC EDUCATION"

At Pine Hills, we go beyond traditional academics, offering subjects like PE, Drama, Music, Art & Design, Design & Technology, and ICT. We empower students to tap into their creative potential, develop critical skills, and cultivate a genuine passion for learning. Our commitment to inclusivity ensures that these opportunities are accessible to students from all backgrounds. With reasonable fees, we provide a high-quality education that unleashes students' full potential and prepares them for a future where creativity and innovation are paramount. Join us at Pine Hills International School, where we believe in nurturing the whole child. Through our comprehensive curriculum, we ignite creativity, foster critical skills, and create an environment where every student has the opportunity to shine.

## EMPOWERING 21ST CENTURY LEARNERS: INTERACTIVE EDUCATION AND DIGITAL FLUENCY AT PINE HILLS SCHOOL

We understand the immense opportunities that the 21st century offers, and we are dedicated to equipping our students with the necessary tools for success. In our classrooms, we utilize state-of-the-art IB interactive smartboards, creating an engaging and immersive learning experience that sparks curiosity and fosters a love for knowledge. Through these cutting-edge technologies, we bring education to life and empower students to reach their full potential.

Furthermore, at Pine Hills, we embrace the digital age by actively utilizing Microsoft platforms.

We ensure that our students are not left behind in this digitally connected generation. By incorporating these platforms into our curriculum, we prepare students to navigate the digital landscape with confidence, enabling them to thrive in a world that relies on digital literacy and technological fluency.

## ENRICHING LEARNING EXPERIENCES AT PINE HILLS SCHOOL: BEYOND CLASSROOM WALLS

We understand the importance of creating dynamic and engaging learning experiences that go beyond traditional classrooms. Our teachers are passionate about delivering instruction in unique and exciting ways, utilizing various locations within the school, such as the dance studio, bouldering area, gym, play area, and more. By immersing students in these diverse environments, we foster a vibrant learning atmosphere that sparks curiosity and encourages active participation.

At Pine Hills School, we believe that education should be an immersive and enjoyable experience. Our innovative teaching methods not only enhance students' understanding of the subject matter but also promote their overall development. By asking questions in different settings, we create a stimulating environment that ignites creativity and inspires a love for learning. We firmly believe that when education is engaging and enjoyable, students thrive and unlock their full potential.

## EXTRACURRICULAR ACTIVITIES

We believe in providing a well-rounded education that extends beyond the classroom. Our Friday Co-Curricular Clubs, including Choir, Drama, Debating, Board Games, and more, offer opportunities for students to explore their passions and build connections. Additionally, our extra-curricular activities like swimming, robotics, and fencing provides an avenue for students to discover new interests and unleash their potential.

Okay.. But it doesn't end there. We believe in the power of experiential learning. Through school trips, outdoor adventures, and study camps, students gain enriching experiences and create lasting memories. These opportunities go beyond the textbooks, fostering personal growth, developing life skills, and forging strong friendships.

## HENKAN PROGRAMME

In today's society, traditional education has often failed to cultivate individuals with strong character and resilience, resulting in a generation that may feel unprepared to face life's challenges. That's where henkan steps in, focusing on developing Attitude, Behavior, Character, and Discipline before diving into education itself. Henkan recognizes that true transformation begins with cultivating the essential traits that build a solid foundation for growth. By emphasizing self-awareness, openness, willingness to learn, resilience, self-discipline, and compassion, Pine Hills aims to create an environment where individuals can develop the attitudes and character traits necessary for success.

## LANGUAGE ACQUISITION

At PHIS, we prioritize English as our medium of instruction, providing a nurturing English-speaking environment both inside and outside the classroom. We believe that fluency in multiple languages is a valuable asset in today's society. That's why we also offer other languages such as Bahasa Malaysia (compulsory for Malaysian students), Mandarin, and French (for beginners).

We understand the importance of language proficiency and the opportunities it brings. By fostering a strong foundation in English while offering additional language options, we empower students to become effective communicators in a globalized world. Whether it's mastering the language of business, connecting with diverse cultures, or expanding their horizons, our language programs prepare students for success in an increasingly interconnected society.

## NO ADDITIONAL TUITION REQUIRED

Our exceptional teachers provide thorough instructions during regular school hours, ensuring students receive a high-quality education without the need for extra classes. Our curriculum covers a wide range of subjects, giving students a well-rounded skill set. We create an engaging learning environment where students can ask questions and deepen their understanding.

Additionally, we assess students' progress regularly and provide extra support when needed. By addressing their needs within the school, we eliminate the need for outside tuition. Our goal is to prepare students for success in a comprehensive and effective way.

## EXCHANGE OF CULTURE

Our student community is a dynamic and inspiring melting pot of cultures and backgrounds. We believe that this rich diversity fosters an environment where students challenge each other and grow into future global citizens. The varied cultural offerings and interactions at Pine Hills have a profound impact, empowering you to succeed in both your personal and professional endeavors.

We embrace the power of diverse perspectives and cultural exchange, recognizing that it fuels innovation and broadens horizons. By immersing yourself in this vibrant community, you'll gain a deeper understanding and appreciation for different cultures, expanding your worldview and preparing you for success in an interconnected world.

## DEDICATED STAFFS

Our teachers are not only passionate about education but also dedicated individuals with a wealth of experience. They bring their expertise to the classroom and possess a remarkable ability to adapt their teaching style to accommodate the unique learning styles of each student.

At Pine Hills, we understand that every child is unique, with their own way of absorbing information. Our teachers embrace this diversity and go above and beyond to ensure that each student receives the personalized attention they need to thrive. They create a learning environment where every child feels seen, heard, and valued.

# HENKAN Programme

*"Shaping Leaders,  
Changing Lives!"*

Can you grasp the life-saving power of Henkan, our transformative program that shapes individuals with positive values and traits? From preschool to Year 11, Henkan instills critical qualities like empathy, compassion, and self-improvement, laying the foundations of Attitude, Behavior, Character, and Discipline that mold our students into the leaders of tomorrow. Through community service projects in Years 9 and 10, our students develop these values and carry their commitment to service even after graduation. Henkan inspires individuals to create positive change in their communities, prioritizing the well-being of all.

At Pine Hills, our aim is to mold strong future leaders by fostering moral values and developing leadership skills. Through a customized PSHE program and community service activities, we continue these life-long lessons, equipping our students with the essential qualities needed to become compassionate leaders. With Henkan, our students gain the Attitude, Behavior, Character, and Discipline necessary to navigate challenges, inspire others, and make a lasting impact in the world. Can you now see how Henkan becomes a life-saving force, guiding our students towards a brighter future and creating a better society?

## BUILD CHARACTER

- In the classroom, our students learn about leadership and what it takes to be a successful leader.

## PRACTICE DISCIPLINE

- They also learn about the different styles of leadership and how to adapt their own style to different situations.

## SHARPEN FOCUS

- Outside of the classroom, our students, have the opportunity to put what they have learned into practice through a variety of extracurricular activities.

## What Is In HENKAN

Are you ready to seize the life-changing power of the Henkan method? Don't let precious opportunities slip away. Act now and secure your child's future with our transformative education syllabus, meticulously designed for ages 4 to 17. Time is of the essence, and the clock is ticking! Imagine the incredible growth and development your child will experience through the Henkan method. From ages 4 to 6, we ignite their potential, nurturing self-awareness and emotional intelligence through interactive play-based activities. By ages 7 to 11, their character will shine as they embrace empathy, resilience, and teamwork through exciting projects and community service initiatives.

But wait, there's more! Ages 12 to 14 unleash their critical thinking and problem-solving skills, preparing them to conquer any challenge that comes their way. And for ages 15 to 17, it's time to soar as they embark on a journey of personal growth, goal-setting, and career exploration. Our mentorship programs and leadership development opportunities will propel them towards success. Don't let opportunities pass you by. Take action now and give your child the competitive edge they deserve. Embrace the power of the Henkan method, an investment that will transform their lives and shape their future. Unlock their full potential and create a path to success. The time is now. Enroll today!

## INTENTIONALITY

By crystallizing your intentions and goals, you create a roadmap for success. You give yourself the gift of focus, clarity, and unwavering determination. These intentions become the fuel that ignites your motivation, propelling you forward even when faced with challenges.

## SELF-CONFIDENCE

Believe in the incredible potential that resides within you. Trust in your ability to create meaningful and positive changes in your life. With a firm belief in yourself, you unlock the courage to take the necessary steps towards transformation.

## WILLINGNESS TO LEARN

By being open to new ideas, perspectives, and experiences, you liberate yourself from the confines of old patterns. You invite fresh insights and innovative solutions into your life. It's through this openness that you cultivate the fertile ground for growth and create space for transformation to flourish.

## SELF-AWARENESS

By knowing yourself well and cultivating self-awareness, you unlock the power to identify areas for growth and change. It is through this heightened awareness that you gain clarity on the patterns that no longer serve you and discover the untapped potential within.

## OPENNESS

By being open to new ideas, perspectives, and experiences, you liberate yourself from the confines of old patterns. You invite fresh insights and innovative solutions into your life. It's through this openness that you cultivate the fertile ground for growth and create space for transformation to flourish.

## SELF-REFLECTION

By dedicating time to reflect on your experiences and progress, you tap into the wellspring of wisdom within you. It's through this introspection that you gain clarity on the lessons learned, celebrate your achievements, and recalibrate your path.

## SELF-COMPASSION

When things don't go as planned, it's essential to be gentle with yourself, embracing the power of self-compassion. Rather than dwelling on perceived failures or beating yourself up, shift your focus to self-kindness and understanding. Recognize that challenges are merely stepping stones on your transformative path.

## ACCOUNTABILITY

By holding yourself accountable, you ignite the power within you to stay on track and make the necessary changes. It's through this sense of responsibility that you cultivate discipline, focus, and unwavering determination. Accountability becomes the compass that guides you towards your desired outcomes.

## PERSEVERANCE

When faced with challenges and setbacks, it is perseverance that fuels our progress. It's through determination and a refusal to give up that we conquer adversity and make meaningful strides towards our transformation. Each setback becomes an opportunity to learn, grow, and become stronger.

## RESILIENCE

By building resilience, you harness the power to overcome obstacles and maintain your focus amidst adversity. It's through this unwavering determination that you rise stronger and more determined after each setback. Resilience fuels your motivation, keeping the flame of transformation burning bright.

## FORGIVENESS

By letting go of grudges and practicing forgiveness, you set yourself free from the chains of resentment and pain. It's through this act of compassion that you reclaim your power and create space for healing and personal evolution. The energy once consumed by bitterness and anger is now available to fuel your positive transformation.

## SELF-DISCIPLINE

By developing self-discipline, you unleash your inner strength and harness the determination needed to stay focused and committed. It's through regular practice and unwavering action that you make strides towards your desired transformation. Each deliberate step forward adds up, creating a profound impact on your journey.

## GRATITUDE

By cultivating gratitude, you shift your focus towards the abundance that surrounds you. It's through this lens of appreciation that you tap into the limitless possibilities and find renewed motivation to make a positive difference. Gratitude fuels your drive, reminding you of the incredible blessings and opportunities that exist within and around you.

## COURAGE

Transformation beckons when you dare to step outside your comfort zone and embrace the unknown. It is through these bold actions that you expand your horizons and discover your true potential. Courage becomes the fuel that emboldens you to confront fears and rise above separate limitations.

## PATIENCE

Understand that transformation is not an overnight phenomenon but a beautiful evolution that takes time. Be patient with yourself and the process, for true growth occurs in the small steps and consistent efforts along the way. Embrace the power of perseverance, staying committed to your path even when faced with challenges or moments of doubt.

## ADAPTABILITY

As you embark on your transformative path, you embrace the understanding that change is constant. The ability to adapt empowers you to face unexpected twists and turns with agility and grace. It's through this flexibility that you uncover new opportunities, learn valuable lessons, and forge ahead with unwavering determination.

## CREATIVITY

By approaching transformation with a sense of creativity and curiosity, you break free from conventional thinking and open yourself up to fresh perspectives. It's through this lens of exploration that you uncover hidden gems of wisdom and find novel ways to overcome challenges. Creativity and curiosity become the driving forces that propel you beyond the limitations of the past.

## FLEXIBILITY

By cultivating the skill of adaptability, we transform challenges into opportunities and setbacks into comebacks. It's through this nimble mindset that we thrive amidst uncertainty, remaining resilient in the face of adversity. Adaptability allows us to flow with the rhythm of life, adjusting our sails as we navigate the ups and downs of transformation.

## POSITIVE MINDSET

By cultivating a positive mindset, you invite the radiance of optimism into your life. It is through this lens of positivity that you see challenges as stepping stones and setbacks as opportunities for learning and growth. With unwavering determination, you navigate the twists and turns of your transformation journey, fueled by the belief that every experience has the potential to propel you closer to your dreams.

## EMPATHY

By cultivating empathy, you unlock the ability to walk in someone else's shoes, truly seeing the world through their eyes. It is through this compassionate lens that you build deeper connections, nurture trust, and create a ripple effect of kindness and understanding. Empathy becomes the catalyst for positive change, empowering you to make a meaningful impact in the lives of others and the world around you.

# Cambridge Assessment International Education

We foster an environment that nurtures informed curiosity and ignites an everlasting passion for learning. With our esteemed Cambridge Pathway, students aged 5 to 19 embark on a clear and purposeful journey towards educational excellence.

- ✓ **Confident** in working with information and ideas - their own and those of others
- ✓ **Responsible** for themselves, responsive to and respectful of others
- ✓ **Reflective** and developing their ability to learn
- ✓ **Innovative** and equipped for new and future challenges
- ✓ **Engaged** intellectually and socially, ready to make a difference

# Little Pine Hills ( Early Years )

Age 4 - 5 Years Old

Welcome to Pine Hills Preschool, a place where curiosity takes flight and wonders come alive. Our Early Years Foundation stage, lovingly known as Little Pine Hills, is carefully designed to ignite your child's imagination and set them on a path of lifelong learning.

At Pine Hills, we believe in hands-on, interactive experiences that allow your little one to explore the world around them. Through a nurturing environment, we create endless opportunities for cognitive, social, and emotional growth. From engaging activities to meaningful interactions, we lay the foundation for your child to develop a genuine love for knowledge and a thirst for discovery.

## SUBJECTS

- Smart English
- Easy Mathematics
- Junior Science
- Fun Malay
- Creative Arts
- Music & Movement
- Mandarin
- Character Education
- Basic ICT
- Social Studies

# Primary ( Year 1 – Year 6 )

Age 5 – 11 Years Old

**KEY STAGE 1 & 2**

Welcome to the vibrant world of primary education, where learning becomes an adventure filled with joy and discovery. At our school, we believe that the primary years are a time of immense fun and growth. Our dedicated teachers create an environment where young students learn through play, exploration, and engaging lessons that spark their natural curiosity. We understand the importance of nurturing their love for learning and providing a balanced curriculum that combines academic excellence with holistic development.

We proudly offer the renowned Cambridge Primary curriculum, a world-class educational framework that focuses on developing essential skills and understanding in English, Mathematics, and Science. Our expert teachers guide students on their learning journey, while the curriculum allows for continuous assessment of their progress. At the end of Year 6, students take the Cambridge Primary Checkpoint tests, designed to assess their knowledge and skills. These tests provide valuable feedback on their strengths and weaknesses, empowering us to tailor their education accordingly as they transition to the next stage.

The Cambridge Primary Checkpoint tests are externally marked, offering an international benchmark for student performance. Each student receives a statement of achievement and a detailed diagnostic feedback report, giving parents and schools insightful information to further support their growth. With this comprehensive assessment approach, we ensure that our students receive a well-rounded education, building a solid foundation for their future endeavors.

## SUBJECTS

- |               |                  |               |                      |
|---------------|------------------|---------------|----------------------|
| ■ English     | ■ Humanities     | ■ Mandarin    | ■ Performing Arts    |
| ■ Mathematics | ■ ICT            | ■ Visual Arts | ■ Physical Education |
| ■ Science     | ■ Malay Language | ■ Music       | ■ PSHE               |

# Lower Secondary ( Year 7 – Year 9 )

Age 11 – 14 Years Old

**KEY STAGE 3**

This is the exciting and transformative stage of lower secondary education, where students embark on a more serious academic journey. This period is characterized by a focus on enquiry-based and problem-solving learning, encouraging students to think critically and independently. It provides ample opportunities for independent study, empowering students to make informed choices and decisions on their own.

To assess students' progress and provide valuable feedback, we implement the Cambridge Lower Secondary Checkpoint tests. These assessments, available in English, Mathematics, and Science, are conducted at the end of Cambridge Lower Secondary. They offer a comprehensive evaluation of students' strengths and weaknesses, equipping us with the knowledge to guide their educational path towards the next stage.

With the Cambridge Lower Secondary Checkpoint tests, each student receives a statement of achievement and a detailed diagnostic feedback report. This comprehensive feedback not only provides parents with valuable insights but also instills extra trust in the assessment process. We believe that by offering transparent and informative feedback, we can support students' growth and provide them with the necessary tools to excel in their educational journey.

Embrace this empowering phase of lower secondary education, where students cultivate their intellectual capabilities, enhance their problem-solving skills, and make meaningful strides towards their future. Together, let's foster a learning environment that encourages independence, curiosity, and continuous growth.

## SUBJECTS

- |               |              |                        |                      |

# Upper Secondary ( Year 10 - Year 11 )

Age 14 - 16 Years Old

**KEY STAGE 4**

Welcome to the dynamic and transformative phase of upper secondary education, where students embark on a two-year journey to prepare for the prestigious Cambridge IGCSE examinations at the end of Year 11. During Key Stage 4, students engage in a comprehensive curriculum that includes English Language, Mathematics, Malay as a Foreign Language (compulsory for Malaysians), and Physical Education. Additionally, students have the opportunity to select subjects aligned with their individual aspirations and abilities. Our senior teachers, renowned for their expertise, offer invaluable guidance to help students make informed choices.

At Pine Hills, we prioritize not only our students' academic achievements but also their overall well-being and happiness. Our experienced teachers and tutors provide unwavering support to empower students to make the best possible decisions. We understand the importance of equipping them with the skills and knowledge they need to thrive in today's modern and globalized world. Throughout their upper secondary journey, students benefit from personalized guidance that fosters their growth and enables them to reach their full potential. This guidance, coupled with our teachers' dedication, contributes to the exceptional achievements our students attain.

# Learning Support

(ESL programme & Special Needs)

## ESL PROGRAMME

We all know the value of effective communication, and that's why our ESL program goes above and beyond to support students who are new to learning in English. Our dedicated ESL teachers deliver courses that immerse students in conversational English, empowering them to build meaningful connections and friendships. Additionally, we provide instructional English classes to equip students with the essential language skills needed for successful studying.

In our program, we prioritize the development of all four language skills: listening, speaking, reading, and writing. However, our ultimate focus is on empowering students to confidently navigate academic texts. From narratives to procedures, explanations to research reports, and essays to scholarly works, we guide students to read and write a wide range of academic materials.

We understand that language proficiency is a key foundation for academic success, and our ESL program is designed to ensure that every student thrives. Through engaging lessons, personalized attention, and a supportive learning environment, we empower students to unlock their full potential in English language proficiency and academic achievement.

Together, let's break language barriers, expand horizons, and embrace a world of opportunities through our comprehensive ESL program.

### TYPES OF ESL PROGRAMMES AT PHIS

#### ■ The Beginner ESL Programme (Total 100 Hours)

If a student is very new to learning in English, they are usually placed in the Beginner ESL Programme.

#### ■ The Intermediate ESL Programme (Total 120 Hours)

The student entering this programme are expected to have at least a beginner level of English language or previous experience in learning in English and their academic language is English, they may be enrolled in the Intermediate ESL programme. When their English language further develops they will exit the ESL programme entirely.

### Learning English Online (Full time or Part Time for 1 year)

Choosing to learn English with us remotely is an excellent option for students who want to prepare themselves before joining Pine Hills in Malaysia. By mastering the language beforehand, students will be better equipped to grasp the lessons and thrive in their classes. We believe that a strong foundation in English language skills is vital for academic success and personal growth.

**Empowering Students to Seek, Spread, and Soar.  
Unlock Your Voice: ESL – Empowering Strong Linguists**

## SPECIAL NEEDS

At Pine Hills, we are committed to supporting and empowering special needs autistic children. With specialized classes, expert teachers, and a nurturing environment, we provide the highest quality education and support. Our tailored approach prioritizes kindness, patience, and the right tools to help these children learn, grow, and succeed. We embrace neurodiversity and create a safe, inclusive space where every child can flourish and reach their full potential. Together, we are dedicated to empowering these children and ensuring they become their best selves.

***"Embrace the exceptional, for within every child with special needs lies a world of untapped gifts and talents."***

### **BENEFITS OF EARLY INTERVENTION FOR SPECIAL NEEDS CHILDREN**

- **Individualized Support:** The Early Intervention Program (EIP) provides personalized support tailored to the specific needs of each special needs child, fostering their holistic development and addressing their unique challenges.
- **Skill Enhancement:** EIP focuses on building essential skills in areas such as communication, social interaction, cognitive abilities, and motor skills. By targeting these key areas, children can make significant progress in their overall development.
- **Enhanced Socialization:** EIP focuses on promoting social interaction and fostering positive relationships. Children in the program have opportunities to engage with peers and develop crucial social skills, such as communication, cooperation, and empathy, enabling them to form meaningful connections and participate more fully in social settings.
- **Family Engagement and Support:** EIP recognizes the vital role of families in a child's development. The program actively involves parents and caregivers, providing them with guidance, resources, and support to better understand their child's needs and actively participate in their progress. This collaborative approach helps create a strong support network for the child and enhances the overall family well-being.

# Extra Curricular

At Pine Hills International School, we are committed to nurturing personalized learning experiences that empower students to explore their passions and unlock their full potential.

Our extensive range of extra-curricular activities provides students with valuable opportunities to develop skills beyond the traditional classroom setting. Engaging in these activities not only hones their abilities within specific disciplines but also cultivates essential academic and soft skills essential for success. Through participation, students have the chance to connect with like-minded individuals, fostering meaningful relationships and enhancing their social aptitude. Moreover, these activities serve as a platform for expanding their network, creating pathways to exciting career prospects beyond graduation.

EDUCATION**

# Testimonials

We're very pleased with PHIS curriculum and programme for our son Isaac Wong Ruey Xiang. My Son has been attending PHIS for about 2 years (since he was 7 years old). The care and education he has received in PHIS has been good and we can see a lot of improvement especially towards his attitude, focus, communication and creativity. In addition, PHIS programs offer many activities (indoor and outdoor) that my son always looks forward to and it encourages him to go to school every day. Kudos to all the teachers and most importantly as a parent, my son is in good hands; he is happy to go to school and also the joy that shows in his face when I pick him up from school. Appreciate the effort and thank you to all of the teachers for your dedication and hard work in shaping my son in school.

**Isaac, MK1**

As the saying goes: Your attitude determines your altitude; I see the tremendous transformation in his attitude towards life. He is much bolder, more responsible and even better disciplined now. Thank you to the principal, teachers and Pine Hills for your heart and passion in moulding him.

**Parents of Chester Yen, Year 11**

Thanks to Pine Hills International School and teachers for overall holistic development of my child. My child is Muhammad Adrian Iman, currently in LSU2. I have noticed much positive changes in his attitude, education, and perspectives. Thanks to all the hard-working teachers. I appreciate your dedication to my kid. Any parent looking for good school for their child. I strongly would recommend talking to the team at PHIS for your kid. Thank you for being my child's second parent and a fantastic mentor.

**Iman, LSU2**

Pine Hills teachers are experienced and knowledgeable; learning is made fun but most importantly at Pine Hills I learnt about Attitude, Behaviour, Character, and Discipline. Thank you, Pine Hills, for not only passing down your knowledge but also helping me set a course for success in life.

**Eric Cheah, Alumni**

We have been searching for a school like PHIS for quite some time for our special child, Fahim. Fahim was diagnosed with ASD and was enrolled to LSU1 in PHIS in October 2022. The mechanism used by PHIS in assessing and recognizing a child's ability is flexible and dynamic which will enable a special child to excel in his strength whilst giving time for him to catch up in the areas where he needs more time to cope. We saw that Fahim is more enthusiastic in going to school nowadays. No more sulky face in the morning and his awareness of his surroundings has also improved. We recognized that PHIS has a very dedicated and enthusiastic team, a reflection of good leadership. The teachers and support team are always very responsive to any enquiries and they go the extra mile to ensure your satisfaction. Good job team!

**Fahim, LSU 1**

Ryan was diagnosed with mild ADHD. He is hyperactive and we were unable to enrol him in other schools. I feel really grateful that he was accepted at Pine Hills International School. He showed progress after studying for more than a year. Initially, Ryan was not able to follow instructions such as taking turns and controlling his temper. Now, with the guidance from the teachers at Pine Hills International School, he is more independent and sociable, compared to before. I am so grateful for the teachers' guidance and patience towards Ryan.

**Ryan Choon, From LSU to Year 2**  
**Transition Period: 1 Year**

My son Kanato has been going to Pine Hills for one year and today I would like to share my son's experience in Gifted Kids Care Centre. He wasn't good in English because it has been a long time since he came to Malaysia. In addition, he is a very shy and timid boy, so I was very worried that he wouldn't get close to his classmates. However, the LSU classes consisted of a small group of students and the teachers constantly were around to oversee my son. Another good point about Pine Hills is that they respect the individuality of the students. Now, my son is in year 4, and from this year, he is going to a regular class. I'd really recommend Pine Hills.

**Kanato (Japan), From LSU to Year 2**  
**Transition Period: 1 Year**

A young boy with dark hair and a slight smile is standing outdoors on a paved path. He is wearing a white short-sleeved shirt with dark green trim on the collar and sleeves, and dark blue shorts. On the left chest of his shirt is a crest featuring a lion and the text 'PINE HILL INTERNATIONAL'. He is making a peace sign with his right hand. In the background, there is a green lawn, trees, and a blue sky with light clouds.
