About us

Established in 2016, we are a group of individuals who have a deep passion and love for the future generation. It is truly rewarding for us to reach out to the younger generation.

At Roots and Wings Montessori Preschool, we are a renowned educational institution committed to providing a nurturing and stimulating learning environment for children aged 12 months to 6 years old. We are passionate about inspiring a love for learning and nurturing the unique talents and abilities of every child. As dedicated teachers, we employ a personalized approach, tailoring our guidance to meet the individual needs and learning styles of each student.

We are also a proud recipient of the 'Babytalk Mama Papa Award 2024' for the best child care centre in Damansara.

Join our vibrant community as they empower children to spread their roots deep and reach for the skies, preparing them to become confident and successful individuals in the future.

Learn, Explore and Creative Thinking

Our Vision

We at Roots and Wings Montessori Preschool prioritize children's growth and development beyond traditional academic subjects. Our vision encompasses nurturing children in all aspects of their lives. We aim to create a safe, stimulating environment that encourages exploration, learning, and the development of confident individuals equipped with practical living skills and strong character.

Discovery in Learning

OUR MISSION: LEARN, EXPLORE AND CREATIVE THINKING

At Roots and Wings Montessori Preschool, we believe every child has the potential to excel and achieve their goals. Our mission is to cultivate a love for learning through discovery, inspire curiosity, and foster independence. Guided by the Montessori philosophy, we strive to provide a warm, secure, and stimulating environment where each child can grow and thrive.

Why Choose Our Montessori Preschool

Certified Swimming Coaches

Days Perfect Swim (DPS) stands as one of Malaysia's premier swim academies, renowned for their expertise in providing home-based private aquatic lessons. With a team of certified professional swimming teachers, DPS ensures the highest standard of instruction.

They hold the prestigious distinction of being the first swim school in Malaysia approved by the UK Institute of Aquaphobia (IOA), emphasizing their commitment to excellence. As an institutional member of the Malaysia Swimming Teachers' Association (MSTA), DPS maintains a strong presence within the swimming community.

Why Choose Our Montessori Preschool

Certified Swimming Coaches

DPS teachers are DPS SwimEduPRO certified, having completed extensive training exceeding 80 hours. With a minimum of 1,600 teaching hours and over 98 hours of annual Continuing Professional Development (CPD), they possess a wealth of experience and continually refine their teaching methodologies.

By entrusting DPS as our swimming coaches, we guarantee a safe and effective learning environment, where each child's progress is closely monitored. With DPS, our Roots and Wings' students will receive top-notch instruction from highly skilled professionals dedicated to their swimming education.

After School Enrichment Class

Our fun, creative, and interactive class encourages students to confidently express their views. Through activities like singing and dancing, storytelling, role play, speech practice, and reading storybooks, combined with visual aids such as flashcards, students are engaged in a dynamic learning experience.

By the end of the course, your child will:

- Recognize and understand fundamental language concepts.
- Expand their vocabulary in Mandarin, English, and Malay.
- Confidently communicate in all three languages.

Taekwondo Class

Our Taekwondo class is an exciting, energetic, and supportive environment where students can build confidence, discipline, and physical strength. Through engaging activities such as kicking drills, self-defense practice, forms training, and sparring, students develop not only martial arts skills but also essential life values like respect and perseverance.

By the end of the course, your child will:

- Learn basic and advanced Taekwondo techniques.
- Improve physical fitness, coordination, and flexibility.
- Gain self-confidence and discipline, and be able to apply Taekwondo principles in daily life.

Fun and school Always Together

In addition to our Montessori morning program, we offer a crèche, full-day care, and after-school enrichment program, easing the challenges of childcare and ensuring peace of mind for parents.

Crèche

- Providing supervised care and age-appropriate activities that promote early development and socialization

Full Day Care

- Daycare is an extended program provided especially for those parents who are working and for children further their learning with us. Most importantly, we allow children to rest/nap for their healthy growth.

- Daycare activities:
 - Doing homework with teacher's guidance, reading, language games, story telling, outdoor play (physical), maths games, drawing & colouring, team activity

After School Enrichment programme

- Designed to complement and enhance children's learning outside of regular school hours

After school Enrichment programme

The Roots and Wings after-school enrichment programme offers a seamless and professional pathway for your child's successful transition to primary school.

Our comprehensive programme goes beyond traditional tutoring by offering individualized assistance with homework assignments, enabling your child to master key concepts and build a strong academic foundation.
