

COUNT THE DOTS

Match the groups with the same number of dots.

Counting Exercise

The worksheet contains two columns of dot groups. Each group consists of a set of colored dots (green and blue) arranged in a specific pattern. The goal is to match the groups with the same total number of dots.

Group 1 (Left Column)	Group 2 (Right Column)
4 dots (2 green, 2 blue)	3 dots (2 green, 1 blue)
6 dots (3 green, 3 blue)	5 dots (3 green, 2 blue)
8 dots (4 green, 4 blue)	6 dots (3 green, 3 blue)
5 dots (3 green, 2 blue)	8 dots (4 green, 4 blue)
3 dots (2 green, 1 blue)	4 dots (2 green, 2 blue)
