Color the **Vegetables**

The page features a blue border with two cartoon characters with large eyes and smiling mouths, one on the left and one on the right, pointing towards the center. In the center, there is a row of ten colored pencils in various colors: purple, blue, green, yellow, orange, red, pink, and brown. Below the pencils, the text "Color the **Vegetables**" is written in a playful font. The main area of the page is white and contains ten line drawings of vegetables and fruits for coloring:

- Top row: an eggplant, a strawberry, and a carrot.
- Middle row: a pineapple, a carrot with leafy greens, and two cherries.
- Bottom row: a pumpkin, an apple, and a radish.

At the bottom center, there is a logo for "KiDDY123.com" with the text "Malaysia Early Childhood Directory" underneath it.
