

# WHICH IS LARGER?

Colour the larger picture.

**KIDDY123.com**  
Malaysia Early Childhood Directory

**Color the Larger Picture**

The page contains a 3x2 grid of illustrations for coloring. The top row features two butterflies; the left one is significantly larger than the right one. The middle row features two ants; the left one is larger than the right one. The bottom row features two bees; the left one is larger than the right one. Above the grid is a row of ten colored pencils in various colors. On the left and right sides of the grid, there are cartoon characters with large eyes and a smiling mouth, pointing towards the illustrations. The entire page is framed with a blue border.
