

Welcome to

STARRIEST BABY

- CHILD CARE CENTRE -

A place where little hearts feel at home and learning happens with joy!

We can't wait for you to experience firsthand the place where your child will learn, grow, and prepare for their future. With experienced teachers, quality education, nutritious in-house meals, and exciting physical activities, these are just a few of the many things you and your child can look forward to.

Starriest Baby Centre is thoughtfully designed to support children from 8 weeks to 4 years, providing a safe, loving, and stimulating environment. Our play-based daily curriculum is tailored to spark creativity, foster independence, and promote discovery through meaningful, age appropriate experiences.

Our dedicated team is committed to nurturing each child's confidence and comfort within their learning journey. Through genuine relationships with both children and families, we deliver personalized care and education that challenges children to explore, take risks, and reach their full potential.

OUR CARE LEVELS:

TWINKLE TOTS

Infant (2-12 months)

Our infant care focuses on creating a warm, nurturing environment where babies feel safe and loved. Through sensory play, music, and gentle routines, we support early development and build a strong foundation for emotional security and physical growth.

RISING STARS

Toddlers (13-24 months)

Toddlers are encouraged to explore with growing confidence. We nurture independence through daily routines, introduce language through songs and stories, and offer sensory-rich activities to spark curiosity and support motor development.

SHINING STARS

Senior (25-36 months)

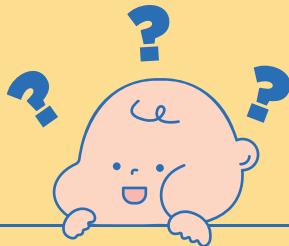

At this stage, children express themselves more actively. Our program promotes self-help skills, language development, and social interaction. Structured play and theme-based learning foster creativity and early problem-solving in a supportive setting.

STARLET

Nursery (3-4 years old)

Kindergarten preparation begins here. Children are introduced to early literacy, numeracy, and science concepts through hands-on learning. With a focus on teamwork and emotional growth, we ensure each child is confident and ready for the next step in their education journey.

WHY CHOOSE US?

Our passionate educators are trained in early childhood development and dedicated to providing the best care and learning experience for your child.

We believe in open communication and active collaboration with families to support each child's growth and well-being.

Our centers are thoughtfully designed with child-friendly materials, age-appropriate toys, and secure spaces to ensure safety and happiness.

We prepare balanced, healthy meals daily to support your child's physical development and good eating habits from an early age.

We meet all licensing standards set by the Department of Social Welfare (JKM), ensuring quality and compliance.

From social-emotional learning to academic readiness, we support every area of your child's development through purposeful play.

THE STARRIEST WAY TO LEARN & GROW

At Starriest, our curriculum is built on six core areas that support each stage of your child's development. These learning foundations are woven into daily routines, play, and guided activities.

1 Social & Emotional Development

Building trust, empathy, confidence, and positive relationships.

2 Cognitive Development

Strengthening thinking, memory, problem-solving, and curiosity.

3 Physical Health & Wellbeing

Supporting gross and fine motor skills through movement and healthy habits.

4 Creative Expression

Encouraging imagination and self-expression through art, music, and role play.

5 Language & Literacy

Fostering communication through stories, songs, conversation, and early reading and writing.

6 Self-Management

Promoting independence, responsibility, and daily routine skills suited to each age.

These domains work together to provide holistic child development from babyhood through preschool.
