Programme

# After School Programme

12.30pm- 3.00pm

## LUNCH

Time for enjoying delicious and nutritious food with your friends and teachers.

## GUIDED HOMEWORK TIME

We provide additional academic help during the guided homework time to help your child breakthrough any challenging topics that your child may encounter.

## INNOVATION CENTRE

To challenge your child's critical thinking and creativity with targeted activities in Development, English and Mathematics through games and fun learning activities in a small group setting.

## CHINESE FUN

We encourage the learning of Chinese in a fun way with rhymes, poems, story time, thematic activities and living skills.

## DOMESTIC SCIENCE

Discover and enhance your child's MasterChef Skills in our school kitchen.

# CENTRE WITH A HEART

— 21<sup>st</sup> Century Teaching —

## STEAM

is an educational approach to learning that uses Science, Technology, Engineering, the Arts and Mathematics as access points for guiding student inquiry, dialogue, and critical thinking.

— Susan Riley  
Arts Integration Specialist

## PROJECT BASED LEARNING (PBL)

## CHARACTER BUILDING

"Intelligence plus Character - that is the goal of true education."

~Martin Luther King Jr.

Good character is not formed in a week or a month. It is purposefully created little by little, day by day.

PBL calls for teamwork, which encompasses collaboration, communication, creativity, critical thinking, choice and care which are the key points of 21st Century Learning. Group interactions whereby negotiation skills and social aptitude is honed.

## REWARD SYSTEM

The Positive Reinforcement practice of encouragement and praise for a job well done and reward for making a good choice of doing what is right and good is one of the key points of the PowerKids culture.

## SPEECH & DRAMA

Here is where children can interact with their dreams and imagination. This activity will help children to expand his/her creativity and confidence.
