KHI Pre-School has been incorporating Modern Music's syllabuses into its curriculum since 2005. Our collaboration had reached out to hundreds of children age 3 to 6 since then. ModernMusic have made such a pivotal contribution to our children throughout the years. Keep up the good work and spread joy to the future generation!

Testimonials

"All work and no play makes Jack a dull boy".....Oh nodefinitely not for our MM children. Music to our ears when our children are having music lessons with our trainer from Modern Music Sdn Bhd. Children love singing to the music & also learning the rhythm & tempo with the sticks & tambourines. Bravo !!

FB Post 2022 , Ms Irene Tadika Mayter

The trainer is professional and cheerful in conducting the classes. The programme provides great benefit to our children as they enjoyed learning different aspect in music. The parents are very satisfied with the programme. I'm very happy to recommend this programme

Ms Michelle Choong
Principal, Strawberry Wonderland Setia Ecohill

"Good team of teachers with dedication and commitment in delivering the best music education to students. Well done! Highly recommended to all schools with this programme"

Helen Long
